Work

KVCR Public Media, San Bernardino, CA — Intern

September 2025 - Present

Interned at my local PBS/NPR station, where I focused on the video and radio production of the company.

Fontana Nissan, Fontana, CA — Social Media Content Creator

February 2021 – June 2022

Created 30 second stop motion animation advertisements for their social media pages with a variety of different props, equipment, and backgrounds.

Production Experience

Obsession — Director

February 2025

I led a team and submitted this for the 2025 College 48 Hour Film Project. It has since won awards at local film festivals and is now on YouTube.

Rhythm Lounge — Producer, Lighting Designer, Editor

Spring 2024

I took a class that created the show *Rhythm Lounge* for our local PBS station, and I was a producer, director, studio lighting designer, title animator, and editor for their third season.

Elf Off the Shelf — Animator, Director, Writer, Editor

Winter 2023

A stop motion animation project that I created by myself that currently has 7.4K views on YouTube and has won awards at local film festivals.

EDUCATION

San Bernardino Valley College, San Bernardino, CA — A.A. in Film, Television, and Media with a concentration in Scripted TV

August 2023 - May 2026

Was in the Film, Television, & Media program, and a part of their Institute of Media Arts. Worked on several sets in a variety of different roles and received my current KVCR internship through there.
